Hi Nikol, hope your good, I've shifted to Bangkok now & I just wanted to tell you that Ishika (my daughter) & me really miss your classes a lot, I've already put her in preschool right now but honestly just wanted to let you know that your classes & the way you teach your children is the best I've come across in Thailand, also I wanted to ask you if you do know any good preschool or kindergarten around Rama 3, sathorn or silom, Plz do let me know, Thankx again, & truely I personally loved your classes, Thankx again 🙌
